## PRESS RELEASE FOR IMMEDIATE RELEASE

### TOWN RECEIVES \$1,250,000 OF \$2.5 MILLION MORE GRANT

With gratitude I am pleased to announce that the town of Hopkinton has received the first of two installments of the state's Massachusetts Opportunity Relocation and Expansion (MORE) Grant in the amount of \$1,250,000.00. The MORE grant funds will be used to pay for the connection of Hopkinton's South Street Sewer to an existing sewage treatment facility in Milford. This payment brings us much closer to realizing the town's stated goal of partnering with the state and private sector to create and increase jobs and economic activity in Hopkinton and the surrounding towns.
